

CHIRAG SINGH

MBA Candidate · Aspiring Product & Strategy Professional

Melbourne, VIC · +61 425 196 399 · 207chaudharychirag@gmail.com · linkedin.com/in/chirag-singh-292193186

PROFESSIONAL SUMMARY

MBA candidate at RMIT University pairing hands-on operations experience with applied business strategy, consulting, and data analytics. Proven ability to perform under pressure in high-volume logistics and customer-fulfilment environments, while delivering strategic recommendations through MBA consulting projects across digital transformation, AI-enabled supply chains, and product innovation. Strengthened by industry job simulations with Deloitte and Goldman Sachs. Adaptable, collaborative, and quick to learn — bridging frontline execution with big-picture thinking.

Target roles: Product Management · Project Coordination · Business Operations · Strategy & Consulting · Innovation · Agribusiness

EDUCATION

Master of Business Administration (MBA) | RMIT University, Melbourne

2024 – 2026 (Completed, results July 2026)

Key coursework: Strategy · Digital Entrepreneurship · Digital Transformation & CX · FinTech & Innovation · Business Analytics · Technology & Innovation · Leadership · Personal Branding

Bachelor of Arts (English Honours) | FIMT, GGSIPU, Delhi

2019 – 2022 · CGPA: 7.71

MBA CONSULTING & INNOVATION PROJECTS

Digital Transformation Strategy | Life Saving Victoria

Led a 5-person consulting team to analyse organisational challenges and proposed a multi-phase digital transformation roadmap spanning customer experience, technology adoption, and operational improvement. Presented recommendations to senior stakeholders.

AI-Enabled Supply Chain Consulting | Cargill

Conducted comprehensive stakeholder mapping and governance assessment for a global agribusiness leader, delivering strategic recommendations for AI-enabled supply chain and logistics improvement.

Product Innovation Project | RMIT MBA

Reframed the MBA program as a digital product; ran primary research with 30+ students and competitor benchmarking across 8 programs to recommend AI-integration and student-outcome improvements.

Digital Entrepreneurship Projects | RMIT MBA

Developed and validated two digital business concepts from ideation to pitch-ready stage. Built lean business models supported by market sizing and competitor analysis.

CERTIFICATIONS & JOB SIMULATIONS

Deloitte Australia – Data Analytics Job Simulation (Forage, 2025) — Data modelling and Tableau-based analysis.

Goldman Sachs – Job Simulation (Forage, 2025) — Quantitative risk analysis and critical thinking.

PROFESSIONAL EXPERIENCE

Online Team Member, Customer Fulfilment Centre (CFC) | Woolworths Group

Melbourne, Australia · Sep 2024 – Present

Prepare and fulfil 200+ customer orders daily within a high-volume distribution environment, maintaining 98%+ picking accuracy under time-sensitive conditions. Collaborate with team members to improve operational efficiency and customer satisfaction.

Warehouse Associate | Linfox

Melbourne, Australia · 2024 – 2025

Supported end-to-end warehouse operations (unloading, picking, packing, inventory handling) during peak season while following safety procedures and contributing to efficient supply-chain processes.

Brand Experience Associate | Hyundai Motor India Ltd.

New Delhi, India · Dec 2020 – Mar 2021

Delivered brand experience and customer engagement activities for India's second-largest car manufacturer, engaging 50+ potential customers daily through on-ground activations.

Event Marketing Representative | HP Premium Laptops (PMG India)

New Delhi, India · Dec 2019 – Mar 2020

Led promotional activity for HP premium laptops at IGI Airport (70M+ annual passengers), driving customer engagement and brand awareness. Supported experiential marketing campaigns including Mahindra Formula E, Samsung India, and Kiran Nadar Museum initiatives.
